2007 Cabernet Sauvignon, Reserve Napa Valley, Spring Mountain District

TASTING NOTES

2007 marks the 31st vintage for the Robert Keenan Winery and the 7th consecutive vintage of "Reserve" Cabernet Sauvignon. The five new Cabernet clones that were planted as bench grafts in the spring of '98 are now showing their individual characteristics. A combination of two of the five clones was chosen for this 100% Spring Mountain cuvee of 700 cases. Clone 15 (75%) and clone 7 (25%) magically combine to make an amazingly seamless, rich, deep, sweet earthy blend with a finish that just won't stop!. Enjoy now or decades from now.

Cheers!

REVIEWS

Robert M. Parker, Jr.'s, *The Wine Advocate*, Issue #186 December, 2009

2007 Keenan Cabernet Sauvignon, Reserve, Spring Mountain District

94 + Points "Its' opaque purple color is followed by a big, layered mouthfeel with intense richness suggestive of creme de cassis, charcoal, tobacco leaf, and hints of truffles... Full-bodied with excellent precision as well as freshness, this complex effort requires 2-3 years of cellaring, and should keep for 25+ years."
