

Keenan

Napa Valley
Spring Mountain District

2009 Chardonnay, Napa Valley, Spring Mountain District,

TASTING NOTES

The 2009 Chardonnay was hand harvested, de-stemmed, then gently pressed. Twenty percent of the juice was fermented and aged in stainless steel tanks, while eighty percent was fermented and aged in French and American oak barrels. No secondary, or malolactic fermentation was carried out, leading to the crisp, citrus character of this wine. The portion of Chardonnay aged in barrel was left on its lees and stirred weekly. The wine was bottled after approximately seven months of aging in the cellar.

The finished wine shows citrus, ripe pear and green apple in the nose. Hints of lush white peach are noticed as the wine opens up. The sur-lie aging has added richness and complexity, and plenty of oak character returns on the finish. Like all of Keenan's wines, this Chardonnay is a food worthy wine whose crisp acidity and medium body will accompany a wide variety of food fare.

REVIEWS

Robert M. Parker, Jr.'s, *The Wine Advocate*, Issue # 192 December 2009

"This delicious, non-malolactic 2009 Chardonnay is one of the best of that style. The alcohol is low (under 14%) and the wine shows lots of poached pear, pineapple and citrus blossom characteristics. Medium-bodied and minimally oaked with good acidity and freshness..."

WINE DATA

Alcohol:	13.9%
Total Acidity:	0.62 grams/100 ml
pH:	3.73
Residual Sugar:	Dry
Bottling Date:	April 14, 2010
Production:	2,600 cases
