Keenan

Napa Valley
Spring Mountain District

2022 Cabernet Sauvignon, Napa Valley

The 2022 Cabernet Sauvignon is composed primarily of grapes grown on Keenan's Spring Mountain District Estate; the remainder of the fruit was harvested from Pope Valley, a grape growing region located in the eastern portion of Napa.

Keenan's Estate Cabernet Sauvignon grapes were harvested beginning on September 1st with the final lot being picked on September 13th. After harvest, the fruit clusters were de-stemmed, then fermented for ten to fourteen days. The wine was barrel aged in thirty-three percent new French and American oak for twenty months.

The blend was assembled just before bottling. The Estate grown Cabernet imparts amazing concentration and remarkable structure, while the portion of Cabernet harvested from Pope Valley adds complex aromas and a balanced mid-palate.

James Suckling Wine Ratings, *September 2025*

92 Points "*This unabashed, powerful and tannic wine is a throwback to rustic wines of the 1980s. Very dense in tannins and massive in oak char, black pepper, dried black cherry and espresso flavors. Fun to drink now with a steak, but otherwise needs time. Best from 2030.*"
Jim Gordon, Executive Editor

Vinous, *December 2024*

92 Points "*The 2022 Cabernet Sauvignon (Napa Valley) is another gorgeous wine in this range from Keenan. Aromatic and savory, with gorgeous forward fruit, the 2022 is all charm. Dried herbs, menthol, rose petal, blood orange and pomegranate build effortlessly in the glass, giving this mid-weight Cabernet Sauvignon tons of character.*"
Antonio Galloni, *Vinous*

Alcohol:	14.3%
Total Acidity:	0.64 grams/100 ml
