

2022 Keenan Syrah Coombsville, Vici Vineyard

The 2022 Keenan Syrah grapes were grown in the Coombsville region of south eastern Napa. The grapes were picked late in the season, and then whole berry fermented in small half ton boxes. After fermentation the wine was aged in French and American oak barrels for seventeen months.

The nose of the wine offers aromas of black cherry and blackberry along with underlying floral nuances. The texture is soft, yet the wine maintains wonderful structure. This is a versatile wine that will accompany a wide array of dishes.

REVIEWS:

James Suckling Wine Ratings, *September 2025*

95 Points "Refined aromas of black fruit, black-olive tapenade, black peppercorns, cured meats and crushed stones. The full-bodied palate shows finely tuned tannins and a rounded mouthfeel, leading into an earth-driven finish with a savory touch. A nod to the Rhone. Drink or hold."
