

Keenan

Napa Valley
Spring Mountain District

2022 Merlot Reserve, Mailbox Vineyard
Spring Mountain District

The Robert Keenan Winery is located in Spring Mountain District, high in the Mayacamas mountain range above the town of Saint Helena. We planted eleven acres of Merlot vines in the rocky soils surrounding the winery and we believe this mountainside vineyard produces some of the finest Merlot in all of Napa Valley. Sited above the dense layer of fog that creeps up the Napa Valley most evenings, the vineyard warms earlier in the morning and temperatures remain warm throughout the night. The combination of these warm temperatures, steep hillside vine rows, and gravelly soils promotes stress on the vines, leading to increased intensity of flavors and aromas in the finished wine.

For the twentieth consecutive year the rechristened “Mailbox” vineyard has been chosen as the source for the Reserve Merlot bottling. Hints of violets and a signature earthy spiciness show in the nose, a chocolaty creaminess combines with the rich dark full fruit on the palette, the finish is beautifully layered, deep, elegant and very, very long. Drink now or decades from now.

James Suckling Wine Ratings, May 2026

93 Points: *“A very mountainous, savory-edged merlot with layers of blue and black fruit, spices and wet stones. The palate is plush and rounded, offering supple tannins, bright acidity and a lovely, earth-driven finish. Good freshness despite the tough vintage. Drink or hold.”*

Wine Data:

Alcohol:	14.3%
Total Acidity:	0.61 grams/100 ml
pH:	3.64
