## **2022 Keenan Northern Flicker**

Our bird-themed futures offering has entered its 4th iteration in what has become one of the more engaging traditions at Keenan Winery. Representing our 2022 elegant, mountain-pedigreed Cabernet is an avian friend clinging to the sides of oak trees or perched on vineyard posts high on the hillsides of Spring Mountain: the Northern Flicker.

This wine exemplifies what has become a core tenet of the Keenan style in the last two decades: supremely integrated tannin structure, particularly at a young age.

Even straight from the barrel, this wine showed surprising maturity, a hallmark of a maturing vineyard and ever-improving cellar techniques. This unique wine is offered nowhere else. It is a pure expression of hillside Cabernet, Keenan style, and the wild nature that defines the mountain.

**– Reilly Keenan**
