

Keenan

Napa Valley
Spring Mountain District

2023 Cabernet Sauvignon, Napa Valley

The 2023 Cabernet Sauvignon is composed primarily of grapes grown on Keenan's Spring Mountain District Estate; the remainder of the fruit was harvested from Pope Valley, a grape growing region located in the eastern portion of Napa.

Keenan's Estate Cabernet Sauvignon grapes were harvested beginning on September 29th with the final lot being picked on October 19th. After harvest, the fruit clusters were de-stemmed, then fermented for ten to fourteen days. The wine was barrel aged in thirty-three percent new French and American oak for twenty months.

The blend was assembled just before bottling. The Estate grown Cabernet imparts amazing concentration and remarkable structure, while the portion of Cabernet harvested from Pope Valley adds complex aromas and a balanced mid-palate.

James Suckling Wine Ratings, September 2026

95 Points: *"A classic Napa cabernet from Spring Mountain with black currant, pine cone, sage and plum aromas but always cool. Medium-bodied with firm tannins and a savory finish. Plenty of bark, mushroom and wet earth undertones in the finish. Drink or hold."* James Suckling

Vinous, November 2025

93 Points: *"The 2023 Cabernet Sauvignon (Napa Valley) is superb. Dark, ample and layered, this shows just how strong the vintage is, even among entry-level bottlings. Black cherry, gravel, sage, dried herbs, cloves and licorice add to an impression of somber intensity. Deep yet light on its feet, with terrific supporting structure, the Napa Valley Cabernet overdelivers, big time."* Antonio Galloni, Vinous

Wine Data:

Alcohol:	14.3%
Total Acidity:	0.64 grams/100 ml
pH:	3.65
