2023 Mencía, Single Vineyard
Napa Valley, Spring Mountain District

Planted on our Spring Mountain estate in 2018 and totaling just 1/3 of an acre, the Mencia is one of Keenan's most modest projects. Very dark in color and surprisingly tannic, this is a wine that you'd do well to let rest for a year and allow for further bottle integration. The aromatics are bound up and brooding but suggest robust minerality and complexity with elements of savory cherry accompanied by a host of licorice, anise, and other bitter earthy components. If you insist on drinking this wine young you'd do well to let it breathe for a time before diving in.

Cheers!
Reilly Keenan
