2023 Petit Verdot, Spring Mountain District
Single Vineyard

Planted in the Spring of 2018 as an experiment our first glimpse of this new varietal came in 2020. When I first tasted this wine out of barrel my initial reaction was, “What else can we graft to Petit Verdot on the estate, this wine is incredible on its own!” Traditionally used as a blending grape in Bordeaux this 2023 is complete on its own, unbelievable aromatics and a bursting palette of deep dark fruit that delivers a tremendous amount of pleasure. Drink now or years from now.

Cheers!

Michael Keenan
