2020 Cabernet Sauvignon

Clone 15

**Napa Valley, Spring Mountain District
Reserve**

For the first time in our history we are bottling single block Cabernet Sauvignons. Clone 15, one of the two Bordeaux Clones we grow, was planted in 1998 and is now in its third decade. The nose shows a terrific savory spiciness, deep dark fruit, roasted herbs and dark cocoa vein. The mouthfeel is full and shows a terrific balance of savory and sweet elements. The finish is elegant, subtlety expressive and quite long. Drink now or decades from now.
