2020 Cabernet Sauvignon

Clone 7

Napa Valley, Spring Mountain District
Reserve

For the first time in our history we are bottling single block Cabernet Sauvignons. Clone 7, one of the three California Clones we grow, was planted in 1998 and is now in its third decade. The nose shows a beautifully high toned, piercing sweetness. The palette follows with a wonderfully round and bursting fruit character leading into a long elegant, polished finish. Drink now or decades from now.
