2014 Zinfandel, Reserve, Spring Mountain District
“Nod to History”

This is our second bottling of a reserve Zinfandel. It is comprised of a blend of Zinfandel, Merlot, and Cabernet Franc with a splash of Carignane and Alicante Bouschet. The name, Nod to History, is a reference to the Conradi Family that built our winery in 1904 and who primarily grew Zinfandel. The blend literally came to me in a dream and is my version of a bridge from our past to our present and future.

The resulting win is a Zinfandel with a super structure, added weight to the palette, more layered aromatics and a very long finish while clearly retaining its identity as Zinfandel. Enjoy now or decades from now.

Cheers! *Michael Keenan*
