2020 Capstone Spring Mountain District

WINE NOTE

A 100% estate bottling of 65% Cabernet Sauvignon and 35% Merlot presents all the strengths of the Keenan Mountain top estate; great structure, deep dark fruit and a classic balance of sweet and savory elements. This classic Bordeaux styled blend will respond to many types of cuisine and will age gracefully in the cellar for many, many years. Drink now or decades from now.

93 Points: "A soft and juicy red with blackberry, black-olive, violet and sandalwood character. Round, creamy tannins and a delicious finish. Some mint at the end. Drink or hold" James Suckling.
