

Keenan

Napa Valley
Spring Mountain District

2021 Cabernet Sauvignon, Napa Valley

The 2021 Cabernet Sauvignon is composed primarily of grapes grown on Keenan's Spring Mountain District Estate; the remainder of the fruit was harvested from Pope Valley, a grape growing region located in the eastern portion of Napa.

Keenan's Estate Cabernet Sauvignon grapes were harvested beginning on September 7th with the final lot being picked on September 14th. After harvest, the fruit clusters were de-stemmed, then fermented for ten to fourteen days. The wine was barrel aged in thirty-three percent new French and American oak for twenty months.

The blend was assembled just before bottling. The Estate grown Cabernet imparts amazing concentration and remarkable structure, while the portion of Cabernet harvested from Pope Valley adds complex aromas and a balanced mid-palate.

James Suckling Wine Ratings, March 2024

93 Points "A medium- to full-bodied red with aromas of dark berries, dried herbs, bark and undergrowth. Firm tannins on the serious frame, shaping up the palate at this stage. Chalky center palate with a powdery, compact finish. Try after 2026."

James Suckling

WINE DATA:

Alcohol:	14.3%
