Spring Mountain District

2022 Mataró, Single Vineyard
Napa Valley, Spring Mountain District

WINE NOTE

The 2022 single vineyard Mataró marks only the second vintage produced from this young vineyard planted back in 2018. Totalling only 1/3 of an acre, the Mataró is one of Keenan's smallest projects. This grape is naturally thin skinned and produces a very tight cluster of fruit which makes it vulnerable to a number of issues if it happens to rain late in the season. In September of 2022 it did just that which resulted in an earlier harvest date. The result is a light and bright and super fresh expression that leans heavily into lifted floral aromatics and a lighter presence on the palate. Not quite as dark in color than the 2021, this vintage of our Mataro is tailor made for the upcoming summer months and we'd even encourage you to consider serving this bottle with a mild chill on it, cheers!

WINE DATA:

Alcohol:	12.2%
Total Acidity:	0.60 grams/100ml
pH:	3.61
Residual Sugar:	Dry
