Napa Valley
Spring Mountain District

2012 Cabernet Sauvignon, Napa Valley

TASTING NOTES

The 2012 Cabernet Sauvignon is composed primarily of grapes grown on Keenan's Spring Mountain District Estate; the remainder of the fruit was harvested from Pope Valley, a grape growing region located in the eastern portion of Napa.

Keenan's Estate Cabernet Sauvignon grapes were harvested beginning on September 20th, with the final lot being picked on October 3rd. After harvest, the fruit clusters were de-stemmed, then fermented for ten to fourteen days. The wine was barrel aged in thirty-three percent new French and American oak for twenty months.

The blend was assembled just before bottling. The Estate grown Cabernet imparts amazing concentration and remarkable structure, while the portion of Cabernet harvested from Pope Valley adds complex aromas and a balanced mid-palate.

REVIEWS

Robert M. Parker, Jr.'s, *The Wine Advocate*, Issue #215 December 2014

90 Points "The 2012 Cabernet Sauvignon Napa has more cassis, tar, camphor and an attractive, fleshy, full-bodied mouthfeel, impressive ripeness and body. This is a solid Cabernet to drink now and over the next 10-15 years."
