

Keenan

Napa Valley
Spring Mountain District

2012 Syrah, Napa Valley

TASTING NOTE

The 2012 Keenan Syrah grapes were grown in the Coombsville region of south eastern Napa. The grapes were picked late in the season, and then whole berry fermented in small half ton boxes. After fermentation the wine was aged in French and American oak barrels for seventeen months.

The nose of the wine offers aromas of black cherry and blackberry along with underlying floral nuances. The texture is soft, yet the wine maintains wonderful structure. This is a versatile wine that will accompany a wide array of dishes.
