

Keenan

Napa Valley
Spring Mountain District

2013 Cabernet Sauvignon, Napa Valley

TASTING NOTES

The 2013 Cabernet Sauvignon is composed primarily of grapes grown on Keenan's Spring Mountain District Estate; the remainder of the fruit was harvested from the Napa Carneros region and Pope Valley, a grape growing region located in the eastern portion of Napa.

Keenan's Estate Cabernet Sauvignon grapes were harvested beginning on September 6th, with the final lot being picked on October 1st. After harvest, the fruit clusters were de-stemmed, then fermented for ten to fourteen days. The wine was barrel aged in thirty-three percent new French and American oak for twenty months.

The blend was assembled just before bottling. The Estate grown Cabernet imparts amazing concentration and remarkable structure, while the portion of Cabernet harvested from Pope Valley and Merlot from the Napa Carneros add complex aromas and a balanced mid-palate.

REVIEWS

Antonio Galloni, *Vinous*, October 2015

93+ Points: "The 2013 Cabernet Sauvignon is deep and powerful from the get go, with beams of supporting tannin and acidity that give the wine its sense of proportion. There is plenty of nuance in the dark fruit, along with terrific aromatic complexity... This is another terrific example of the vintage."

WINE DATA

Alcohol:	14.3%
