

Robert Keenan Winery

2004 Cabernet Franc, Spring Mountain District

For the sixth consecutive year, Keenan has bottled a one hundred percent Cabernet Franc varietal. This wine was produced only from grapes grown on the Keenan Estate in Spring Mountain District. A small portion of Keenan's 2004 Cabernet Franc was blended into the 2004 Napa Valley Merlot, while the remaining wine was bottled on its own. Only 260 cases of the '04 Cabernet Franc were produced.

The 2004 Cabernet Franc was aged in 33% new French and American oak barrels for eighteen months. The finished wine shows intense ripe black cherry, plum and floral aromas. Hints of earth and slight herbaceous notes add complexity as the wine "opens up". This wine has wonderful structure and will age for many years to come.

94 Points "A limited production cuvee, the 2004 Cabernet Franc, from Keenan's Spring Mountain (District) estate vineyard, exhibits a lovely floral, blueberry, and raspberry-scented perfume, medium body, superb intensity, and a light, ethereal character. It is an uplifted, beautiful effort that shows what Cabernet Franc can achieve in the hands of a conscientious grower and superb winemaking. Drink it over the next decade"
