

Keenan

Napa Valley
Spring Mountain District

2010 Cabernet Sauvignon, Napa Valley

TASTING NOTES

The 2010 Cabernet Sauvignon is composed primarily of grapes grown on Keenan's Spring Mountain District Estate; the remainder of the fruit was harvested from Pope Valley, a grape growing region located in the eastern portion of Napa.

Keenan's Estate Cabernet Sauvignon grapes were harvested beginning on October 15th, with the final lot being picked on October 27th. After harvest, the fruit clusters were de-stemmed, then fermented for ten to fourteen days. The wine was barrel aged in thirty-three percent new French and American oak for twenty months.

The blend was assembled just before bottling. The Estate grown Cabernet imparts amazing concentration and remarkable structure, while the portion of Cabernet harvested from Pope Valley adds complex aromas and a balanced mid-palate.

Cheers!
Michael Keenan

REVIEWS

Robert M. Parker, Jr.'s, *The Wine Advocate*, Issue #204 December 2012

91+ Points "The 2010 Cabernet Sauvignon is laced with an exciting melange of black cherries, incense, tobacco, mocha, graphite and dried flowers. Deceptively medium in body, the 2010 possesses gorgeous aromatics and tons of pure nuance, all in an understated style I find highly appealing. Today, the wine is a bit compact, but it should grow nicely with further time in bottle. The 2010 is 100% Cabernet Sauvignon, 61% from Spring Mountain and 39% from Pope Valley. Anticipated maturity: 2015-2025."

WINE DATA

Alcohol:	14.8%
